

## Getting Started:

### To start using your Smart Thermostat:

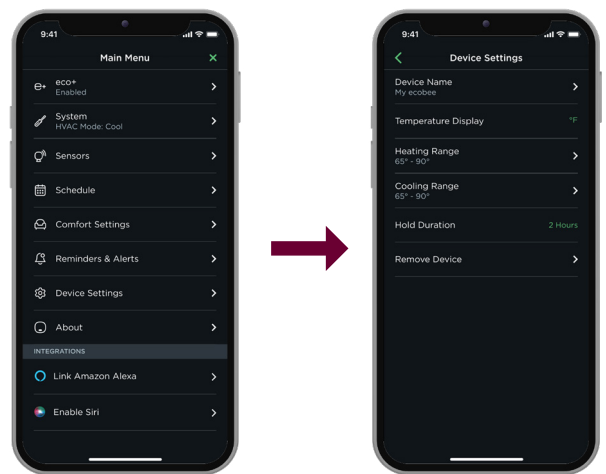

1. Download the ecobee mobile app.
2. Create an ecobee account and register your device. To start registration, go to your ecobee and tap:  
 ≡ Main menu > ⚙ Registration
3. Follow the **add device** instructions in the app, then ensure your device is connected to Wi-Fi.

### To adjust your preferences

Access these settings from your ecobee thermostat:

- Menu > Settings > Preferences

ECOBEE SUPPORT
